P O E M

Whatever we would say about our Mom would not be enough. For the Lord knows and we know that she was truly, truly nice. We pray to God that if we could be half as good as she, we would not have to worry. But that our soul would be with the Lord. She was more than a mother. she was a father, a sister and a brother. The things she would do not only for us but for you, you, and you. She is gone for a while, but the most precious thing she leaves with us and you is her everlasting smile.
